

FREQUENTLY ASKED QUESTIONS

Integrated Systems Using Telemedicine (ISUT)

1 Is there an Autism Diagnostic Team who will be able to do the educational evaluation?

Follow this [link](#) to our website for more information

3 Who is a good candidate for ISUT?

- Family and school are in agreement on possible ASD diagnosis
- If older child, they are willing to talk over interactive televideo (ITV)
- If younger child, they have a developmental level of at least 12 months

2 Who should I talk to if I'm not sure the child is a good fit for ISUT?

Your Autism Diagnostic Team contact or Technical Assistance (TA) RedCap Request form.

4 What are the privacy issues related to family and medical history?

School teams are often present for the review of medical and family history. Additionally, some details of medical and family history are included in the final report.
