

Scheduling a Visit

Integrated Systems Using Telemedicine (ISUT) Clinic

Go to the Center for Childhood Health and Development (CCHD) [website](#) and click the link for Autism Diagnostic Teams (ADT)

STEP 1

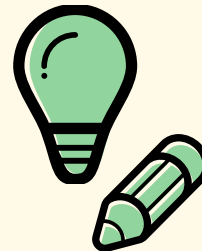

STEP 2

If available, contact the ADT team and ask for an autism screening

The educational ADT will complete an evaluation (likely standardized parent interview, child evaluation, questionnaires) and send to the KU CCHD team

STEP 3

STEP 4

Family completes the ISUT Telemedicine packet, which will also be sent to the KU CCHD team

The ADT will help the family with the scheduling process with the KU Telemedicine and Telehealth department

STEP 5
